

The Other Side

January 2010

The Minister's Minute

I hope that everyone had a wonderful Christmas and is eagerly anticipating the New Year. I like New Years. It gives one a chance to reflect but also look forward to the year to come. It can be a new beginning for many.

This past year we have had several people take membership at the Hamilton Church of Christ. We also witnessed the baptism of many. One of which was Brooke Koeppel in December. Many have overcome obstacles and still others have had answered prayer. Yes 2009 was a good year at the church.

As I look forward into 2010 I am excited about the possibilities the Lord has for our body. God has given us the opportunity to build His kingdom in a mighty way. We can do this in many ways and I am looking forward to working with the Lord to make this happen.

Everyday is a new day with the Lord and as we approach the New Year let us ask Him, "Lord how can I help you to build the kingdom?" As He answers this simple prayer let us, as a body be obedient and responsive and do His will. Have a great month!

Jeff
