The Minister's Minute

October! To many it means the beginning of the fall season. At the Hamilton Church of Christ it means another year has passed and an annual congregational meeting will take place. This year it is scheduled for Sunday, October 4th following the worship service.

I would like to encourage everyone associated with the church to make every effort to attend this meeting. There are several items that will be presented and discussed at this meeting. So it is very important that you make it if you can.

We will be discussing the current building project. The committee will be presenting you with the information they have gathered. They will also be discussing ways that the Hamilton Church of Christ can achieve this goal.

We will also be discussing two new ministries that will be starting at the church. These ministries may offer you a place to serve but will also assist the Hamilton Church of Christ in the fulfillment of the Great Commission.

Please join as we pray, plan and implement these great tools for the building of the kingdom.

Have a great month!!

Jeff

Discipleship Opportunities

Many have asked me over the past months how they may come involved in a bible study. We offer several opportunities throughout the week for discipleship. They are:

Foundations: A class offered on Sunday mornings in the fellowship area downstairs. It is a class that is addressing the basics of Christianity.

Tuesday's With Jeff: This small group bible study meets on Tuesday mornings at 9:00 am in the fellowship area.

Wednesday Night Bible Study: This small group bible study meets on Wednesday evenings at 7:00 pm in the sanctuary. They address various topics from a biblical perspective.

These are the current bible studies that we offer. If you can't make one of these and are still interested please contact me (Jeff) and I will assist you in the discipleship process.
